## LAMBLEY'S RIDING.

#### rre Lorillard Purchases the Champion Lamplighter.

nion Beach last night in a highly conhed frame of mind, well satisfied with meetives and everybody else in general. cause for all this good feeling was the lined pockets and the discomfiture of ir enemy, the "Dookles." Favorites cap-ed five of the six races, and the other was on by a close second choice. The patrens of ge Evening World were among the most ontented and hisarious of the lot, as they je a clean sweep of the day, getting in

"Jimmy" McCormick and his numerous ends opened fire on the pencillers in the ry first event, all going down the line on ast price the pencillers hung up, but that rened about one minute. Towards the close was 2 to 5 against the McCormick trick, the your own tickets against the others. tren at this short price the plungers grabbed L. At post time there was hardly one man n the ring who would write a Zenobia ticket. the filly got away in front and won handily. Stimulated by this victory McCormick's sends went right back into the ring to press atters on Marguerite, getting as good as 7 10 against her. The bookies kept layng this price nearly throughout the betting, hinking that Donohue would handicap the lly; but to their surprise the boy rode like old-timer, getting away in the lead and olding his mount well within herself, he layed with his field all the journey.

Father Bill" Daly captured the next race th Arnica, beating the good thing, Running i, and Crochet in a driving finish. Arnica sty following. Chesapeake was at the sureary following. Chesapeake was at the sur-sisingly long price of 1 to 2, having only zere to beat. Starter Rowe gave the big son is. Blaise lots the worst of the start, but at made little difference, the big chestnut on getting into his stride and, outrunning seothers, led nearly all the way and win-ing in an easy manner.

The fifth race was the event of the day. ack Rose was the favorite, Fagot second hole. The field was well bunched all during be journey, and when they straightened for her run home Bergen brought the favorite run home Bergen brought the favorite ford palmeny by a head. Kirkover had abling to beat in the last race and won all as way, galloping under the wire three rights before Sandstone. Monterey and label Pomeroy had an exciting finish for hird place, the former getting it by a nose.

claimed by many who were standing the turn into the stretch in the fifth esterday that Jimmy Lambley was the of the failing of the Elise Morrison. The accident occurred just as the were rounding into the stretch and was a great deal of crowding, in which ter fell and threw his jockey, Burns, ally. When the boy was picked up and to a stable it was found that his left ras badly fractured and his hip dislo-

NOTED BANDITS CAPTURED.

It will be remembered that young Lambley as set down at Jerome Park about this time as tyear for a similar offense and was kept at the ground for the remainder of the year.

In the ground for the remainder of the year, and the ground for the remainder of the year.

In the ground for the remainder of the year, and the ground for the country, and the rail, thus causing the accident. Jimmy is very popular little jockey, and probably the rest feather-weight in the country, and the ground for the country, and the ground for the ground

Chesapeake's race yesterday did him a scridor good and Jack McDenald will unboubledly win him out before many days are passed. Midgley rode a better race on lin, sitting perfectly still and nolding the base together. . . .

Pierre Lorillard has purchased the great breeyear-old champion Lamplighter, by penditrit: Torchlight, from Brown, & Seres, Lamplighter is one of the best colts for trained, and should win barrels of money or his new owner.

The Tete-a-Tete filly showed a lot of speed re-terday, and when in her right company will beat somebody's horse.

## FAMINE, CHOLERA AND FIRE

2,500 Russian Peasauts Burned Out in Afflicted Saratov.

St. Petersburg, Aug. 18.—There are few inhabitants of the Government of Saratov who do not believe that they are suffering from divine displeasure. The ravages of the famine were felt ther

as severely as anywhere else in Russia. Then came the cholera, which is still claiming many victims among the peasantry. Last night a fire destroyed 300 houses in Soldsvek. Terrible excitement prevailed

while the conflagration was ra, ing, and many were the appeals made to the icons, or sacred pictures, for intervention to stay the progress

He's to Be Under Secretary of the New Home Office.

LONDON, Aug. 18.—The following additional appointments were officially announced late. this afternoon : HERBERT GLADSTONE, son of the Prime Mints

ter. Under Secretary of the Home Office. THOMAS BURT (Laborist), Parliamentary Secr tary of the Board of Trade, George Granville Leveson-Gowen, Comp troller of Her Majesty's household.

Parliament to Pe Prorogued To Night-No Queen's Speech.

INV ASSOCIATED PRESS, 1 LONDON, Aug. 18.—Parliament will be pro rogued this evening. There will be no Queen's speech.

#### IS IRON HALL DOOMED?

Drafts Go to Protest and Deposit Are Held by the Court's Order.

INDIANAPOLIS, Aug. 18.—It is the general belief here that the Iron Hall is a decimed of the assignment of the Philadelphia ban which holds \$713,000 of the Order's money comes an order of the Court restraining th Indianapolis banks from paying out a dollar of the Iron Hall deposits.

A large number of drafts drawn by the supreme Cashier of the Order were allowed to go to protest yesterday by the local banks. The appointment of a receiver is not doubted now, even by some of the supreme officers of the Order.

ing Louisville will go out on a strike. For some time the switchmen in the local yard have felt dissatisfied with wages and

hours.

The strike at Buffaio precipitated a demand on the Louisville and Nashvil e for the adop-tion of standard or Chicago scale. From what can be learned at the office of the Company the switchmen of the road will be incormed to-morrow that their request has been refused. The men claim

that they will immediately quit work. MOSQUITO BITES OR DEATH.

Louis Berkert Chose the Latter and Killed Himself.

Because the mesquitoes made life unbear able, to bim, Louis Herkert, aged thirty, at 10.30 this morning deliberately laid his head on the track of the Long Island Ratiroad near the Bushwick avenue station. Williams-burg, and had his life crushed out by engine No. 64.

This morning Herkert remarked that he did not care to live any long r, as the mus-quitoes and flies bothere i him too much. He had no home and was dissolute.

#### Euicide After a Shooting.

IBT ASSOCIATED PREST. I Mission San Jose, Cal., Aug. 18.—Thomas H. Downe, a builder and contractor, was questioned last night by a German carpenter in regard to some money which Downe owed him. Downe said he would pay the money as he had promised, when the man drew a revolver and fired a ball through Downe's body. The man then blew off the top of his own head and died instantly. Downe is not expected to recover.
